

What i don't understan why the radio is trying to stop xm radio for giving information on trafic I don't thin k is wrong i think is great we as members from xm radio we are paying for the services and who ever listen to the traffic pay for the services theonly thing different from this that th xm is so much clear and we don't have to keep changing stacion when we travel please le xm radio do there job for every member we want to have a choice of radio we have a choice to pay for this services and the reason we pay because we are happy with xm radio for the services they provide.

thank you
